water, water everywhere

1. Mr. Steam unveils Steamhead. The globe-shaped piece offers quieter steam infusion, a better steam flow, and can be used with the Aromasteam aromatic oils system. Call 800.76.STEAM or log on to www.mrsteam.com

2. Atic Flowers bathroom vanity from **Sonia** was inspired by Danish modernism and features a floral design on a black background and a serigraph print on its glass front. 888.SONIAUS or log on to www.sonia-sa.com

3. The KIRI showerhead by **Satinjet** offers the ultimate in a shower spray with twinjet technology. The spray operates at 2.5 gallons per minute to help save water. Call 800.975.5409 or log on to www.satinjet.com

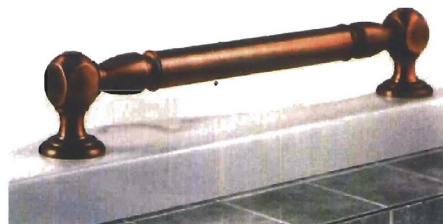

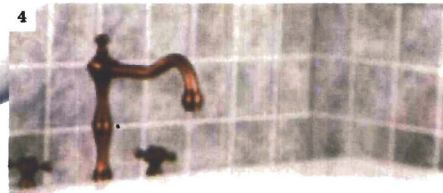

4. Jaclo's Smooth Luxury Grab Bar is ADA compliant and coordinates with the company's complete line of bathroom pieces. The bar is available in seven styles and 16 decorative finishes. Call 800.852.3906 or log on to www.jaclo.com
